'ENDPOINT DETECTION & RESPONSE (EDR) SOLUTION'- FALCON CROWDSTRIKE® **INVITING COMPETITIVE QUOTATIONS FOR RENEWAL OF 45 SUBSCRIPTION LICENSES**

'Traditional Endpoint Security' tools have blind spots, making them unable to see and stop advance threat. 'Falcon CrowdStrike EDR' solves this by delivering complete end point visibility across the organization. It continuously monitors all endpoint activity and analyses the data in real time to automatically identify threat activities, enabling it to both detect and prevent advanced threats as they happen. All endpoint activity is also streamed to Falcon CrowdStrike EDR platform, so that Security Trams (Threat & Risk Audit Matrix) can rapidly investigate incidents, respond to alerts and proactively hunt for new threats. 'Falcon CrowdStrike Endpoint Detection & Response' (EDR) solution is one of the world's top 10 EDR solutions.

KEY FEATURES OF CROWDSTRIKE APPLICATION;

- It automatically detect attacker activities
- Unravel entire attacks on just one screen
- Accelerate investigate workflow
- Respond decisively
- Capture critical details for threat hunting and forensic investigation
